A LETTER FROM THE LEADERSHIP

DEAR FRIENDS & PARTNERS,

Hundreds of dedicated members of the U.S. dairy community will gather again Jan. 18-19, 2017, at the Monona Terrace Community & Convention Center, in Madison, Wis., for the third annual Dairy Strong conference.

Dairy Strong organizers are working hard to build content that parallels the opportunities and challenges faced by dairy farmers today. To that end, the theme for 2017 is “The Journey Forward”. Dana Perino will serve as the opening keynote for Dairy Strong 2017. Perino is a former White House press secretary, political commentator, *New York Times* No. 1 best-selling author, and co-host of Fox’s “The Five.”

The dairy community is creative and innovative. Dairy Strong brings farmers and industry professionals from diverse management philosophies together to focus on what matters. We work hard to provide content that is relevant, inspiring and entertaining.

Dairy Strong provides attendees the chance to listen to inspiring keynotes, participate in practical sessions and engage with the nation’s leading industry suppliers on the trade show floor.

In its third year, this event is a “must attend” for progressive people in dairy. Farmers at Dairy Strong are owners, managers and decision makers. They are business people, just like you - with an aptitude for creativity and the desire to succeed today and tomorrow. There is also tremendous B2B potential between animal health, nutrition, genetics, financial services, equipment, technology, engineering and many other partners.

Dairy Strong is a great chance to network and extend your brand with enhanced sponsorship opportunities. Many tailored events will provide your company quality face time with farmers above and beyond the trade show venue. These opportunities are featured in the Sponsorship and Exhibitor Information portion of this brochure.

On behalf of the Board of Directors, thank you for considering Dairy Strong.
